

Know your War Planes

Exploring a Primary Source

Know Your War Planes

- Written in 1943, the year the Tuskegee Airmen arrived in Africa

Know Your War Planes

We will:

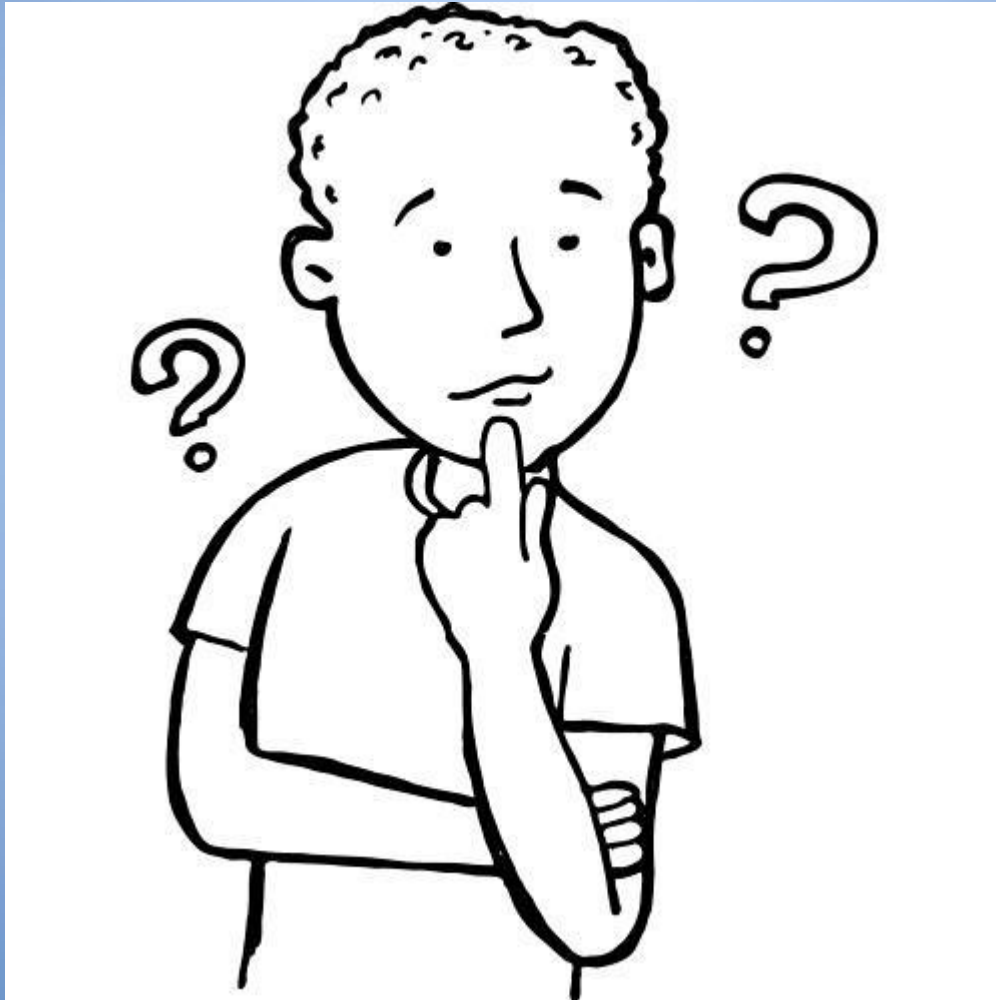

1. Read the foreword together
2. Answer some questions about the book to help us put it into **context**
3. Look at silhouettes and drawings of the planes flown by the Tuskegee Airmen

Let's read!

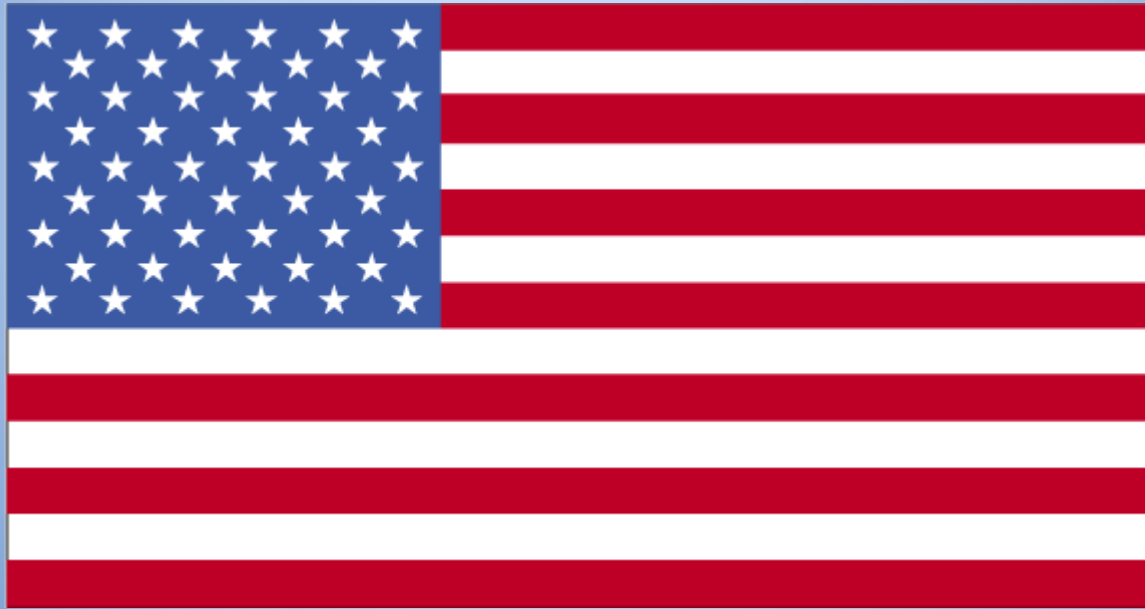

Why do you think this book was written?

What is one thing written in the book that you think was important?

What does this book tell you about life in the US at the time it was written?

What is one question that you have after looking at this book?
