

Trees in the Seasons

Grade Level: 1

Learning Outcomes: Students will know and be able to use a video resource to find and learn new information.

IFC Standards:

2.1: Recognizes that questions can be answered by finding information

	Learning/Teaching Activities	Resources
Mini-Lesson	<p>Review note taking – show last week’s notes on activities in each season.</p> <p>Explain that today students will be watching a video on trees in each season. Students will notice how the trees change, and we will take notes as a class when the video is finished.</p> <p>What do trees look like in each season?</p>	
Guided Practice	Watch season time lapse video	http://www.zeitraffer.tv/en/nature-time-lapse/seasons/tree-4-seasons/
Independent Practice/Check for Student Understanding	<p>Take notes on the SMART Board as a class</p> <p>What did we notice about the tree?</p> <p>Play a game on the SMART Board – trees and seasons</p>	<p>Notebook file – see attached</p> <p>Tree Game – see attached</p>
Sharing and Reflection	<p>Review notes with class.</p> <p>What do we know now about trees in each season?</p>	
Assessment	<p>Tree Game - did students answer correctly?</p> <p>Did students make correct observations for notes?</p>	

Follow up/Extensions: Review notes during board creation
